Sir,

I have the honor to inform you that the cars of the Prasanna Krishnasvámi temple were prepared when the temple was constructed in the time of H.H. the late Krishnaráj Wadéyar Bahadúr ;but no substantial repairs seem to have been done to them, excepting small repairs to wheels,&c.,executed now and then as required. with the sole object of fitting them for the occasion. The wood work in many places is rotten and the whole structure is decayed and requires thorough renovation. I am assured that the deterioration of these and similar wooden cars was accelerated by their exposure to the weather for years. before they were stalled about 5 years ago.

2. An estimate has accordingly been prepared for Rs 1950/- by the Nara

nat

Maramat Department for the needful repairs using such wood work as is sound and replacing the rotten parts.

3. I beg accordingly to submit the above estimate and request that you will be so good as to obtain the sanction of Government for the same.

4. As the savings of ₹875-5-9 at the credit of the temple up to the end of July 1904, will not be sufficient for the above work, I beg to suggest that this expenditure may be met out of the savings of ₹39,544-6-5, at the credit of the Muzroi Institutions under the Palace management. Vide para 11 of Government Proceedings No: 2892-901 Muz.F.5-96 dated 19th March 1904.

5. One of these cars is referred to in your No: 697 dated 9th Aug. 1904, para 2.

My dear Sir,

Many thanks for Govt. Proceedings 4534-5 of 7th Instant, sanctioning expenditure of ₹1989-9-2 referred to in my Official letter 119 dated 23rd March 1906. I just write a line to say that in the copy of the Proceedings sent to me it is mentioned in the recital portion of Govt. Pro 1064/5 of 14-9-04 that the car is of Sri Prasanna Krishna Svami Temple. No doubt it is a Car of that Temple: the Car itself is the Car of Sri Perandevamma.
